Ep. 34: Pregnant Workers at Hospitals, Veterinary Clinics and Airlines

Jennita Reefhuis, PhD from the Centers for Disease Control and Prevention (CDC) and Carissa Rocheleau, PhD from the National Institute for Occupational Safety and Health (NIOSH) join The MotherToBaby Podcast host Chris Stallman, CGC, for the second in a series about workplace exposures. On this episode, Jennita and Carissa talk about jobs that deal with radiation and other exposures pregnant workers at hospitals, dental and veterinary clinics as well as airlines might encounter.
