Episode 2: Beauty Products during Pregnancy or Breastfeeding

MotherToBaby Podcast host Chris Stallman, a certified genetic counselor and mother of three, takes questions from other moms around the country about the known safety of using beauty products during pregnancy and while breastfeeding. She covers questions surrounding lash enhancers and acne treatments and what their potential risks are to the developing baby if used during pregnancy and breastfeeding. Sharon Voyer Lavigne, MS, a licensed genetic counselor at MotherToBaby's Connecticut affiliate, is her guest expert helping to provide callers with evidence-based answers.
