Ep. 67: Snakes and Bear Liver at the IN Poison Center

From snake bites to polar bear liver, Adam Overberg, a pharmacist, board-certified clinical toxicologist, and the director of the Indiana Poison Center, joins host Chris Stallman, CGC, to dish on the most interesting exposure questions he gets. Overberg is an alumnus of the University of North Carolina and completed his residency and toxicology training in Indianapolis, IN. He loves talking tox and poison centers with anyone in earshot and is an ardent proponent of equity in healthcare education, practice, and research.
