

Ep. 41: Postpartum Depression and Anxiety

Dr. Jessica Vernon, a New York-based OBGYN recently featured on the Today Show, shares her story of postpartum depression and anxiety (also known as perinatal mood disorders). Even as an OBGYN, the often-debilitating condition was difficult to recognize during her own motherhood journey. Dr. Vernon joins host Chris Stallman, certified genetic counselor, to share the lesser-known symptoms of postpartum depression and anxiety and when it's time to get help.
