

Contact

Pregnancy Studies

MotherToBaby Pregnancy Studies is actively conducting observational research to better understand the effects of medications and vaccines when taken during pregnancy. To connect with a member of our research team, please contact us at our research headquarters located at the **University of California San Diego in the Center for Better Beginnings**. Our research team is available Monday through Thursday from 7 am – 7 pm and Friday from 7 am – 6 pm (Pacific).

Exposure Information Service: Ask Our Experts

Contact us if you have a question or concern about an exposure during pregnancy or breastfeeding. Our information specialists are available for consultation by phone, text, email, and live chat from Monday through Friday from 8 am – 7 pm (local time). Our services are free to the public and can support people who are pregnant and/or breastfeeding, families, and health professionals by providing evidence-based individualized benefit and risk assessments. ¡Hablamos español!

Disclaimer: MotherToBaby Fact Sheets are meant for general information purposes and should not replace the advice of your health care provider. MotherToBaby is a service of the non-profit Organization of Teratology Information Specialists (OTIS). *OTIS/MotherToBaby encourages inclusive and person-centered language. While our name still contains a reference to mothers, we are updating our resources with more inclusive terms. Use of the term mother or maternal refers to a person who is pregnant. Use of the term father or paternal refers to a person who contributes sperm.* Copyright by OTIS, July 25, 2023.
