About Our Podcasts

Host Chris Stallman, a mom-of-four, genetic counselor, and MotherToBaby information specialist, answers your burning questions about exposures during pregnancy and breastfeeding. Chris and her guest experts take listeners' questions and do a deep dive to offer insight into the safety and risk of many different types of exposures that a pregnant or breastfeeding mom may experience.

The screenshot shows the MotherToBaby website's 'The Baby Blog' page. The browser address bar displays 'mothertobaby.org/baby-blog/'. The page features a large header image of a woman looking out a window. The navigation menu includes 'ABOUT', 'EXPOSURES', 'STUDIES', 'HEALTH PROFESSIONALS', 'MEDIA', 'IN YOUR AREA', 'OTIS', and 'CONTACT'. A search bar is located in the top right corner with the phone number '866.626.6847'. The main content area is titled 'The Baby Blog' and includes a sub-section 'About Our Baby Blog' with a paragraph of text. A search bar with a 'GO' button is also present. A 'GET HELP' button is visible in the bottom right corner.
